

SILICON FREE DECLARATION

Product(s) : **ENSOFT SO16150AT2000**

DATE : 17/01/2018

PAGE : 1/1

To whom it may concern

Please be advised that based upon the available information from our relevant producers and/or raw material suppliers, we can state that the silicones & silicon compounds have not intentionally been used in the manufacturing of the thermoplastic resins nor are they part of the formulation and therefore they are not expected to be present in the mentioned product:

ENSOFT SO16150AT2000

The absence however, has not been checked by test, ubiquitous traces can not be excluded. This information applies to the material as it leaves its production facilities and does not cover any additive, pigment, etc., subsequently included or introduced by the converter.
